Where we fly

More than 60 sought-after holiday destinations across Europe and North Africa on short and medium routes, plus long-haul flights to Africa and the Indian Ocean.

Comfort and connectivity throughout the flight

Discover Airlines offers Economy, Premium Economy, and Business Class on long-haul flights, designed to enhance passenger comfort. Complimentary free inflight entertainment is available on personal monitors in all cabins, with a wide selection of movies, TV shows, music, and games. Meals and soft drinks are included, and special meals can be pre-ordered. Passengers stay connected via Onboard Cloud on every flight, with Wi-Fi on most long-haul routes. Messaging is free, with faster packages available for browsing, streaming, or work needs.

Services designed for passenger comfort

Discover Airlines prioritizes passenger comfort and convenience. Access to lounges is available at major hubs and selected destinations. Travelers benefit from evening-before check-in at MUC and FRA, early boarding options for families, and dedicated assistance for unaccompanied minors. Baggage allowances are fully aligned with Lufthansa Group standards, ensuring consistency and ease across the entire network. A wide range of ancillary services is available for pre-booking, including sports equipment, seats with extra legroom or special meals. Small cats and dogs may also be transported in the cabin on most flights.

Booking and rewards

Discover Airlines flights are bookable via lufthansa.com, NDC, and in GDS under Lufthansa flight numbers with 220 ticket stock. Travelers can earn and redeem Miles & More points — ideal for United MileagePlus and Air Canada Aeroplan members.
