## Where we fly

More than 60 sought-after dream destinations across Europe and North Africa on short and medium routes, plus long-haul flights to Africa and the Indian Ocean.

### Long-haul services and cabin experience

Discover Airlines offers Economy, Premium Economy, and Business Class on long-haul flights, designed to maximize passenger comfort. All cabins feature complimentary inflight entertainment on personal screens with a wide selection of movies, TV shows, music, and games. Meals and soft drinks are included, and special meals can be pre-ordered. Most long-haul flights also provide onboard Wi-Fi or an Onboard Cloud service, with free messaging and paid options for browsing, streaming, and work. The airline focuses on convenience and service, offering lounge access for Premium Economy and Business Class travelers, family priority boarding, and dedicated support for unaccompanied minors. Baggage allowances follow Lufthansa Group standards. Additional services such as extra legroom seats, sports equipment transport, special meals, and pet travel in the cabin can be booked in advance.

### Booking and rewards

Discover Airlines flights are bookable via [lufthansa.com](https://lufthansa.com), NDC, and in GDS under Discover Airlines (4Y) flight numbers or Lufthansa marketing code (LH). Travelers can earn and redeem Miles & More points — ideal for United MileagePlus and Air Canada Aeroplan members.
